Rockhill Insurance Group Selects Guidewire Solution for Rating, Underwriting, Policy Administration and Billing

May 10, 2012

Specialty writer to gain product speed to market and process consistency across geographically dispersed organization and diverse lines of business

KANSAS CITY, Mo. & SAN MATEO, Calif.--(BUSINESS WIRE)--May. 10, 2012-- Rockhill Insurance Group (Rockhill), a writer of specialty commercial property/casualty insurance, and Guidewire Software, Inc. (NYSE: GWRE) a provider of core system software to Property/Casualty insurers, today announced that Rockhill has selected Guidewire PolicyCenter® and Guidewire BillingCenter® as the company's new rating, underwriting, policy administration and billing platform.

"We selected Guidewire PolicyCenter and BillingCenter for the comprehensive functionality each system provides," said Phil Cole, Specialty – vice president, Underwriting & Operations. "We wanted to equip our employees with the best technology we could find and believe that these products will support their efforts and enable us to be more responsive to our customers and agents."

"We had the opportunity to speak with several insurers about their experiences working with Guidewire and its products – all gave such glowing feedback," said Leo Genders, assistant vice president, IT. "Everyone we have met from Guidewire has been exceptional to work with. This process has instilled confidence in our decision to work with them on our transformation projects."

"We are pleased to welcome Rockhill Insurance Group to our customer family," said Marcus Ryu, chief executive officer, Guidewire Software. "We look forward to helping the Rockhill team achieve their business goals leveraging our policy administration and billing systems."
