

## **ANPAC and Farm Family Select Guidewire Solution for Claims Management**

June 14, 2012

*Guidewire ClaimCenter® to enable ANPAC and Farm Family to enhance their operational efficiencies and better prepare for long-term business growth*

SPRINGFIELD, Mo. & SAN MATEO, Calif.--(BUSINESS WIRE)--Jun. 14, 2012-- American National Property And Casualty Company (ANPAC®), Farm Family Casualty Insurance Company, and Guidewire Software, Inc. (NYSE:GWRE) today announced that ANPAC and Farm Family have selected Guidewire ClaimCenter® as their new platform for claims management. Guidewire Software is a provider of core system software to property and casualty insurers, and its ClaimCenter product will be used for all personal and commercial lines of business at the two companies.

"We selected Guidewire ClaimCenter for the maturity of the product and for Guidewire's track record of successful implementations," said Bernard Gerwel, Senior Vice President, Chief Information Officer at ANPAC. "We also felt good about the depth and breadth of the Guidewire team's industry knowledge and experience."

"We needed a system that could handle our current lines of business and had the flexibility to grow with our business and client demands," said Robert Campbell, ANPAC's Executive Vice President, Chief Claims Officer. "Guidewire ClaimCenter has the configurability and scalability for which we were looking."

"It gives us a great deal of pleasure to welcome ANPAC and Farm Family to the Guidewire family," said Marcus Ryu, Chief Executive Officer, Guidewire Software. "We are proud that ANPAC and Farm Family recognize ClaimCenter as a system that can meet their claims business needs today and as they change in the future."

Guidewire ClaimCenter is a leading end-to-end claims management system, built from the ground up to meet the specific needs of today's property and casualty insurers. ClaimCenter's flexible business rules enable claims organizations to define, enforce and continually refine their preferred claim-handling practices in order to optimize and monitor their claims processes. ClaimCenter is in use by insurers of all sizes, across all product lines, to improve speed and accuracy, reduce loss adjustment expense and enable proactive management of claims. ClaimCenter is available as a standalone system or as part of Guidewire InsuranceSuite™, and can be integrated into an insurer's legacy systems or third-party applications.
