

TMLIRP Selects Guidewire Solution for Claims Management

October 11, 2012

AUSTIN, Texas & FOSTER CITY, Calif.--(BUSINESS WIRE)--Oct. 11, 2012-- Texas Municipal League Intergovernmental Risk Pool (TMLIRP), a provider of risk financing and loss prevention services to Texas municipalities and other units of local government, and Guidewire Software, Inc. (NYSE: GWRE), a provider of core system software to Property/Casualty insurers, today announced that TMLIRP has selected Guidewire ClaimCenter® as its new claims management system.

"We are honored that TMLIRP has selected Guidewire as its claims transformation partner," said Steve Sherry, vice president, The Americas, Guidewire Software. "We welcome TMLIRP to the Guidewire family and look forward to working with them on this project."

Guidewire ClaimCenter is a leading end-to-end claims management system, built from the ground up to meet the specific needs of today's Property/Casualty insurers. ClaimCenter's flexible business rules enable insurers to refine claim handling practices in order to optimize and monitor claim processes. ClaimCenter is used by insurers of all sizes across all product lines to improve speed and accuracy, reduce loss adjustment expense, and enable proactive claims management. ClaimCenter is available as a standalone system or as part of Guidewire InsuranceSuite™, and can be integrated into an insurer's legacy systems or third party applications.

About Texas Municipal League Intergovernmental Risk Pool

Texas Municipal League Intergovernmental Risk Pool's mission is to provide Texas municipalities and other units of local government with a stable source of risk financing and loss prevention services at the lowest cost consistent with sound business practices.

By spreading the risk of losses across the state of Texas and across a variety of local governments, and by employing pro-active loss prevention measures, TMLIRP is able to provide a stable and long-term risk financing system for its members.

It is TMLIRP's belief that proper training and a commitment by the members to manage their work environments will lower losses, and, as a result, the cost of coverage will be lower. Learn more about TMLIRP at www.tmlirp.org.
