

Guidewire Software Announces Addition of Sollers Consulting to Its PartnerConnect Program

December 6, 2012

Sollers Consulting to support General Insurance customers implementing Guidewire InsuranceSuite™ systems in Central and Eastern Europe

WARSAW, Poland & FOSTER CITY, Calif.--(BUSINESS WIRE)--Dec. 6, 2012-- Guidewire Software, Inc. (NYSE: GWRE), a leading provider of flexible core systems to general (non-life) insurers, today announced that Sollers Consulting has joined its PartnerConnect alliance program as an *Affiliate* member. PartnerConnect, Guidewire's global program for strategic System Integrators (SI) and affiliate consulting alliance partners is an invitation-only program designed to strengthen alliance relationships through a formalized commitment and measurement program. Guidewire is pleased to welcome Sollers Consulting to its select group of alliance partners.

Jeff Proudfoot, Guidewire's vice president, EMEA said, "Enabling customer success is Guidewire's primary objective. Guidewire PartnerConnect™ members assist and lead Guidewire implementation projects around the world. We look forward to extending and strengthening our global implementation capabilities throughout Central and Eastern Europe even further with the addition of Sollers Consulting as a new PartnerConnect Affiliate Partner."

Proudfoot added, "Sollers brings regional insurance expertise to our partner eco-system which in turn will help us ensure that our expanding European customer base receives the same high quality of service when implementing Guidewire products that our global customer base receives."

Michał Trochimczuk, Sollers Consulting board member said, "Guidewire has very modern, innovative systems for General Insurance and we are looking forward to continuing our work with Guidewire on joint projects across the region."

Guidewire PartnerConnect™ members provide a wide range of services to the general insurance community, including: business transformation consulting and strategy, and IT related services. To date, worldwide, Guidewire practices include over 2,700 consultants, more than 1,900 of whom are functional and technical consultants certified on Guidewire products. Guidewire PartnerConnect is comprised of Strategic and Affiliate level members. The Affiliate level member is a partner that is in the process of building depth in its Guidewire sales and implementation practice while gaining overall experience with Guidewire products.

About Guidewire Software

Guidewire Software is a provider of core system software to the global Property/Casualty (general) insurance industry. Designed to be flexible and scalable, Guidewire solutions give insurers the capability to deliver excellent service, increase market share and lower operating costs.
