

Guidewire Named a 2013 'Best Places to Work' by San Francisco Business Times and Silicon Valley/San Jose Business Journal

May 10, 2013

Recognition marks the fourth consecutive year Guidewire Software has been included on the Best Places to Work list

FOSTER CITY, Calif.--(BUSINESS WIRE)--May. 10, 2013-- Guidewire Software Inc. (NYSE: GWRE), provider of Property/Casualty (P/C) insurance software products, today announced that it has been named one of the Best Places to Work in the Bay Area 2013 by the San Francisco Business Times and Silicon Valley/San Jose Business Journal. This is the fourth year in a row that Guidewire has been selected as a top employer. According to the publications, the companies included on this year's list have been deemed as "workplaces that foster creativity, morale, and culture."

"We are honored to be named a Best Place to Work," said Jeremy Henrickson, vice president, Product Development, Guidewire Software. "We have a great team in the Bay Area and around the world focused on building and implementing quality software to help insurance companies achieve core system replacement success. Our dedicated employees embrace our culture of collegiality and operate with the utmost integrity and rationality in everything they do. Those core values provide the foundation for a place we enjoy working."

Employees participated in an independent, third-party survey that ranks companies based on their employees' rating of work environment, corporate culture, benefits, and compensation.

Guidewire is hiring in a variety of positions. Opportunities can be viewed online at: <http://www.guidewire.com/about-guidewire/careers/>.

About Guidewire Software

Guidewire Software is a provider of software products for Property/Casualty insurers.
