

Erie Insurance Selects Guidewire System for Claims Management

October 14, 2014

FOSTER CITY, Calif.--(BUSINESS WIRE)--Oct. 14, 2014-- Guidewire Software, Inc. (NYSE: GWRE), a provider of software products to Property/Casualty (P/C) insurers, today announced that Erie Insurance has selected Guidewire ClaimCenter® as its claims management system.

"Guidewire ClaimCenter gives us the flexibility we need to achieve our vision of continuing to improve on our already outstanding claims service," said Matt Myers, a senior vice president at Erie Insurance. "Guidewire also has a history of investing in R&D to continually improve its system, which gives us confidence that as our needs evolve, they will evolve with us."

ClaimCenter gives Erie Insurance a highly configurable system that has a proven track record of more than 100 successful implementations and a top tier industry analyst rating.

"We are pleased to welcome Erie Insurance to our customer community," said Steve Sherry, vice president, Sales, Americas, Guidewire. "ClaimCenter is an ideal match to help the team at Erie achieve its business and customer service transformation objectives. We look forward to taking this journey with them."

Guidewire ClaimCenter® is a leading end-to-end claims management system, built from the ground up to meet the specific needs of today's Property/Casualty insurers. ClaimCenter's flexible business rules enable claims organizations to define, enforce, and continually refine their preferred claim handling practices in order to optimize and monitor their claim processes. ClaimCenter is in use by insurers of all sizes across all product lines to improve speed and accuracy, reduce loss adjustment expense, and enable proactive management of claims. ClaimCenter is available as a standalone system or as part of Guidewire InsuranceSuite™, and can be integrated to an insurer's legacy systems or third party applications.
