

Guidewire Software Announces Promotion of PartnerConnect Partner

December 23, 2015

Guidewire deepens relationship with V-NEO to support insurer system deployments and business transformation initiatives

FOSTER CITY, Calif.--(BUSINESS WIRE)--Dec. 23, 2015-- Guidewire Software, Inc. (NYSE:GWRE), a provider of software products to Property/Casualty insurers, today announced that V-NEO Inc., a Property/Casualty insurance industry business and IT specialist, has been promoted to a PartnerConnect *Consulting* Advantage partner. PartnerConnect includes three relationship tiers (or levels); Select, Advantage, and Premier. The PartnerConnect tiers are designed to recognize individual partners based on achievements and contributions such as insurance industry expertise, number of Guidewire certified employees, or number of integration accelerators contributed.

V-NEO provides enterprise architecture and information technology services through the entire course of the implementation of solutions from the strategy, selection, inception and planning to the delivery and concretization of value in the organization. The company has played a key role in several Guidewire InsuranceSuite™ implementations and was recently honored with a [Guidewire Innovation Award](#) for their work with Promutuel Insurance to create a new change management strategy and build a global e-learning foundation.

"We congratulate V-NEO on its well-deserved promotion within our PartnerConnect program, and we are grateful for the contributions they have made to our business," said Jeff Proudfoot, vice president, Global Alliances and Business Development, Guidewire. "We are pleased to deepen our relationship with V-NEO and to continue to work with them to help our mutual customers adapt and succeed in a rapidly changing market."

Guidewire PartnerConnect - Consulting partners provide consulting services such as business transformation and strategy, implementation, as well as related delivery services. Complementing Guidewire services consulting resources, our consulting partners provide additional Guidewire trained and certified consultants. To date, Guidewire Consulting practices worldwide include more than 5,670 consultants who have been trained or are experienced on Guidewire products.

About V-Neo

V-NEO is a Property/Casualty insurance industry business and IT specialist headquartered in Quebec City, Canada. V-NEO's primary mission is to add value in organizations through its professional services, which aims for results that exceed expectations while complying with deadlines and costs, and leave the client with an imprint or assets extending beyond the intervention. V-NEO provides enterprise architecture and information technology services through the entire course of implementation of solutions from the strategy, selection, inception and planning to the delivery and concretization of value in the organization.
