

InfoSyp Joins Guidewire PartnerConnect Program

June 16, 2016

Latin American consulting firm becomes newest Consulting alliance member

SAN JUAN, Puerto Rico & FOSTER CITY, Calif.--(BUSINESS WIRE)--Jun. 16, 2016-- InfoSyp, a Latin American consulting firm specializing in IT transformation and integration, and Guidewire Software, Inc. (NYSE: GWRE), a provider of software products to general (Property/Casualty) insurers, today announced that InfoSyp has joined Guidewire PartnerConnect™ as a Consulting partner at the Select level.

InfoSyp is a consulting firm specializing in IT transformation and integration in the Latin American market and has expertise in identifying tools, resources, training, and solutions for a wide variety of strategic initiatives. They will assist insurers implementing Guidewire core, data, and digital products – enabling them to adapt and succeed in rapidly changing times.

“Our extensive experience with transformation projects enables us to assist insurers with their Guidewire implementation projects, and our strong presence in the region gives us the local industry expertise to meet our mutual customers’ needs,” said Luis Cintron, Managing Partner Insurance Practice, InfoSyp.

“We are committed to becoming a leading Guidewire integration partner in Latin America,” continued Cintron.

“We are pleased to welcome InfoSyp to the PartnerConnect Program as our most recent Consulting partner in Latin America,” said Jeff Proudfoot, Vice President, Global Alliances and Business Development, Guidewire Software. “Ensuring the success of each customer implementation is the top priority for Guidewire, and we are pleased to strengthen the scope of our delivery capabilities in Latin America with the addition of InfoSyp.”

Guidewire PartnerConnect - Consulting partners provide consulting services such as business transformation and strategy, implementation, as well as related delivery services. Complementing Guidewire services consulting resources, our consulting partners provide additional Guidewire trained and certified consultants.
