

MetLife Auto & Home® Introduces 100% Digital Products on Guidewire Platform

October 4, 2017

Disrupting the traditional model, MetLife Auto & Home becomes the first to deliver 100-percent digital insurance from quote to claims through its MetLife Auto & Home MyDirect® portal

BEVERLY, Mass. & FOSTER CITY, Calif.--(BUSINESS WIRE)--Oct. 4, 2017-- MetLife Auto & Home and Guidewire Software, Inc. (NYSE: GWRE), today announced that MetLife Auto & Home has begun deploying Guidewire InsurancePlatform™ in a new cloud environment for customers using its MetLife Auto & Home MyDirect portal. MetLife Auto & Home is the first P&C insurer in the United States to offer a 100-percent digital experience from quoting to claim service. Rollout of the platform is expected to continue over the next several quarters.

"Guidewire InsurancePlatform provides our customers with more of the convenience, transparency, and control they want," said Kishore Ponnnavolu, president, MetLife Auto & Home. "They can purchase policies online in minutes, where pricing and risk are immediately assessed leveraging data and analytics. Simplified digital processes improve the customer experience; from premium payment to claims, the entire process is paperless. Customers can even interact with us via text message or e-mail, providing a true end-to-end digital experience aligned with today's customer expectations."

"It is an honor to be associated with MetLife's distinguished brand," said Marcus Ryu, chief executive officer, Guidewire Software. "We congratulate MetLife Auto & Home on the success of the first phase of its implementation, which we believe to be a trailblazing example of this era of digital engagement."

"As part of MetLife's Digital strategy, we formed a strategic partnership with Guidewire to co-create an industry-first Digital platform for our Auto & Home business. The partnership reflects our commitment to create easily accessible products that protect our customers while enabling them to do business with us on their own terms," said Marty Lippert, executive vice president and head of technology and operations for MetLife. "By infusing digital into everything we do, we are transforming the customer experience and our partnership with Guidewire on the MyDirect platform is a testament to our Digital strategy in action."

MetLife is leveraging the power of Guidewire InsurancePlatform, which combines three elements – core operations, data and analytics, and digital engagement – that work together to enhance MetLife Auto & Home's ability to respond to market changes and engage and empower its customers, agents, and employees. MetLife Auto & Home's new products sold on the MyDirect portal are not yet available in all states.
