

Guidewire Software Announces Utilant as a New Solution Partner

January 22, 2018

Ready for Guidewire integration of Utilant's Loss Control 360 with Guidewire PolicyCenter® to help automate and streamline insurers' loss control workflow

BUFFALO, N.Y. & FOSTER CITY, Calif.--(BUSINESS WIRE)--Jan. 22, 2018-- Guidewire Software, Inc. (NYSE: GWRE), a provider of software products to Property and Casualty (P&C) insurers, today announced that Utilant, a global software provider for the insurance industry, has joined Guidewire PartnerConnect™ as a *Solution* partner. In addition, Utilant's Inspection Management Accelerator, which speeds the integration between Utilant Loss Control 360 and Guidewire PolicyCenter®, has successfully completed the *Ready for Guidewire* accelerator validation process.

Loss Control 360 (LC360) is used globally for managing insurers' in-house and third-party inspection service providers. The platform can also automate insurer's loss control workflow helping insurers to:

- Collect inspection information with ease by utilizing mobile apps;
- Manage large account service work;
- Analyze collected data efficiently to improve underwriting decisions; and
- Mitigate risk effectively.

With the Utilant Inspection Management Accelerator, insurers can seamlessly integrate Loss Control 360 with PolicyCenter enabling their employees to order loss control inspections and receive back data collected on site, from within their PolicyCenter system. The Loss Control 360 platform includes offline-capable tablet apps, a highly configurable user interface, and a custom-tailored deployment methodology.

"Utilant is pleased to offer quicker access to the capabilities of our loss control inspection management platform, Loss Control 360, to Guidewire PolicyCenter customers with the help of our validated Inspection Management Accelerator," said Patrick Davis, CEO, Utilant. "We are excited to continue our work with Guidewire in providing effective solutions to our mutual customers around the world."

Utilant is now eligible to use the *Ready for Guidewire* validation mark. This designates that the Inspection Management Accelerator has been through a rigorous review process that supports readiness for integration with Guidewire InsuranceSuite™ products such as PolicyCenter.

"We are pleased to welcome Utilant as a PartnerConnect *Solution* partner and respect their commitment to helping insurers streamline their loss control operations, and make better underwriting decisions," said Neil Betteridge, vice president, Strategy, Guidewire. "This accelerator will make it easier for our mutual customers to integrate PolicyCenter with LC360 to better manage inspections, large account service and recommendation follow-ups."
