*Ohio-based insurance company to use Guidewire Core and Digital solutions to modernize its systems and better serve its customers*

COLUMBUS, Ohio & FOSTER CITY, Calif.--(BUSINESS WIRE)--Sep. 6, 2018-- Grange Insurance, an Ohio-based insurance company, and Guidewire Software, Inc. (NYSE: GWRE), provider of the industry platform Property and Casualty (P&C) insurers rely upon, today announced that Grange has selected Guidewire Core and Digital solutions to modernize its policy and billing systems to better serve its agents and customers.

"Guidewire's product maturity and track record of successful implementations were important factors in our decision-making process," said Linda Roubinek, EVP, Chief Customer Interactions Officer at Grange. "Our goal is to deliver a great experience for our agents and customers, and to be there in their moment of need. Guidewire's solutions will help make it even easier for our agents and customers to do business with us, and for us to continue to meet their service expectations."

"We are pleased with Grange's selection of Guidewire Core and Digital solutions," said Steve Sherry, Chief Sales Officer, Guidewire Software. "We are humbled that these solutions will help Grange continue delivering on its mission of providing peace of mind and protection during life's unexpected events to its agents and customers."
