

Truepic Joins Guidewire PartnerConnect Solution Alliance Program; Publishes Ready for Guidewire Add-On

October 23, 2019

Truepic publishes its first Ready for Guidewire add-on, helping P&C insurers streamline the claims inspection process for higher levels of service and increased efficiency

SAN DIEGO & SAN MATEO, Calif.--(BUSINESS WIRE)--Oct. 23, 2019-- Truepic, provider of an end-to-end virtual inspection solution for insurers, and Guidewire Software, Inc. (NYSE: GWRE), provider of the industry platform Property and Casualty (P&C) insurers rely upon, today announced that Truepic has joined Guidewire PartnerConnect™ as a *Solution* partner. The companies also announced that Truepic's new plug and play *Ready for Guidewire* validated [add-on](#), created using the [Guidewire DevConnect™](#) developer platform, is now available to insurers in the [Guidewire Marketplace](#).

Truepic's *Ready for Guidewire* add-on makes it easy for insurers on Guidewire ClaimCenter™ to access Truepic Vision, a secure virtual inspection solution that leverages forensic technology to add a level of trust to virtual inspections, without leaving Guidewire InsurancePlatform™. A Truepic Vision inspection can be ordered seamlessly through ClaimCenter and can replace an in-person inspection - lowering costs, increasing customer satisfaction, and enhancing efficiency while also reducing fraud.

"We're excited to offer trusted virtual inspection, directly integrated into Guidewire ClaimCenter", said Craig Stack, Founder & COO of Truepic. "Traditional inspections are slow, expensive, and riddled with human error and fraud. Truepic's patent protected imaging technology can now collect the verified documentation that insurers require with a single click in ClaimCenter. Together we can reduce cost, reduce fraud, and delight customers."

This Truepic *Ready for Guidewire* add-on is enabling insurance claims staff to experience the benefits of Truepic Vision which allows them to:

- Communicate directly with their policyholders and request photos and videos of vehicles, houses, offices, and more;
- Receive high resolution images, that cannot be altered or edited, with full and accurate time, date and geolocation data, as well as fraud checks protected by eight individual patents; and
- Take advantage of a pay-as-you-go system.

"We are pleased to welcome Truepic as a Guidewire PartnerConnect *Solution* partner," said Becky Mattick, senior director, Global Solution Alliances, Guidewire Software. "The Truepic Vision *Ready for Guidewire* add-on gives claims teams access to its virtual inspection solution from within ClaimCenter, enabling a quick and trusted inspection process, and as a result, high levels of customer service."

About Truepic Vision
