"We congratulate the latest group of PartnerConnect *Consulting* partners to earn Guidewire specializations," said Lisa Walsh, Vice President, Alliances, Guidewire Software. "We are pleased to award 25 specializations to partners around the world this quarter that are committed to bringing high levels of knowledge and service to our mutual insurance customers."

Specializations are regionally based and require partners to demonstrate skills, knowledge, and competency in a specific Guidewire product. The achievement of specializations enables insurers to have more clarity and insight into which partners have proven capabilities in a region. In addition, partners with specializations can better promote their capabilities across Guidewire products and solutions.

Please find more information about specializations on the Guidewire website [here](#).
