"Congratulations to our latest group of PartnerConnect *Consulting* partners to earn Guidewire specializations," said Lisa Walsh, Vice President, Alliances, Guidewire Software. "We are pleased to recognize our partners' dedication to providing our joint insurance customers high levels of service through their proven expertise."

Specializations are both regionally and globally based and require partners to demonstrate skills, knowledge, and competency in a specific Guidewire product. The achievement of specializations enables insurers to have more clarity and insight into which partners have proven capabilities in a region. In addition, partners with specializations can better promote their capabilities across Guidewire products and solutions.

Please find more information about specializations on the Guidewire website [here](#).
