

Guidewire Software Announces Promotion of PartnerConnect Consulting Partner

August 5, 2020

Guidewire deepens relationship with Stratus Technology Services to support insurer system implementations and ensure optimal effectiveness and project efficiency

SHREWSBURY, N.J. & SAN MATEO, Calif.--(BUSINESS WIRE)--Aug. 5, 2020-- Guidewire Software, Inc. (NYSE: GWRE), the platform P&C insurers trust to engage, innovate, and grow efficiently, today announced that Stratus Technology Services, LLC, a provider of global information technology services and solutions, has been promoted to PartnerConnect *Consulting* Select partner. The PartnerConnect *Consulting* partner program includes three relationship tiers: Select, Advantage, and Global Premier. The tiers are designed to recognize partners based on achievements and contributions such as insurance industry expertise, the number of Guidewire certified employees, and the achievement of specializations.

[Stratus Technology](#) has provided Guidewire services since 2014 and has a demonstrated track record of assisting major and mid-cap P&C insurers in deploying, customizing and maintaining their investment in Guidewire technology across ClaimCenter, PolicyCenter, and BillingCenter, as well as data management and BI, and mobility. Stratus' Guidewire delivery team provides consulting services and solutions that allow insurance companies to deploy customizable applications using modern technology platforms to support their core business functions.

"We congratulate Stratus on its well-deserved promotion within our PartnerConnect program and are grateful for the contributions they have made to our business," said Lisa Walsh, vice president, Alliances, Guidewire Software. "We are pleased to deepen our relationship with Stratus and continue to work with them to help our mutual customers navigate what's next to drive the insurance industry forward."
