New partner's medical cost containment solutions to relieve adjusters of communications with medical providers, allowing them to stay focused on the quality and speed of patient recovery

TEMPE, Ariz., & SAN MATEO, Calif.--(BUSINESS WIRE)--Sep. 15, 2020-- TempusDirect, LLC, a leading provider of medical cost containment solutions for the Property and Casualty (P&C) insurance market, and Guidewire Software, Inc. (NYSE: GWRE), the platform P&C insurers trust to engage, innovate, and grow efficiently, today announced that TempusDirect has joined Guidewire PartnerConnect as a *Solution* partner.

TempusDirect focuses on cost management solutions for the P&C industry, specifically for bodily injury medical bills where medical providers are paid directly by P&C payers. Leveraging its medical expertise and proprietary database, TempusDirect verifies and negotiates discounts on claimant medical bills with healthcare providers on behalf of insurers, allowing adjusters to remain focused on the claimant.

"We are delighted to now also partner with Guidewire to continue to streamline the process for our shared customers. This new alliance will increase the efficiency of adjusters twofold, by combining the efficiencies offered by our solutions and the efficiencies provided by an integration with Guidewire."

"We would like to welcome TempusDirect to Guidewire PartnerConnect as a *Solution* partner," said Becky Mattick, vice president, Global Solution Alliances, Guidewire Software. "Together, Guidewire and TempusDirect will put TempusDirect's cost containment tools directly into the hands of the adjuster in ClaimCenter.
