Form 10-K for the Year Ended July 31, 2020

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operation
Critical Accounting Policies and Estimates
Revenue, page 87

1. We note on page 87 that term license revenue increased due to new term license and multi-year renewal deals. We also understand from your most recent earnings call that a lot of your term license deals have "committed cloud pricing" in them. Please explain how a committed cloud pricing works and whether it could be deemed a material right. Refer to ASC 606-10-55-41 through 45.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comment, action or absence of action by the staff.
