

Guidewire Software Named a Best Place to Work for Third Consecutive Year

April 26, 2012

Guidewire ranked seventeenth in annual list of mid-size companies recognized as Best Places to Work in the Bay Area published by San Francisco Business Times and Silicon Valley/San Jose Business Journal

SAN MATEO, Calif., Apr 26, 2012 (BUSINESS WIRE) --Guidewire Software, Inc. (NYSE: GWRE), a provider of core system software to property and casualty insurers, today announced that it has once again been named one of the Best Places to Work in the Bay Area 2012 by the San Francisco Business Times and Silicon Valley/San Jose Business Journal. This is the third consecutive year that Guidewire has been named, ranking seventeenth among 50 companies in the mid-size companies (101 to 500 Bay Area employees) category.

"To receive this recognition for a third time, especially knowing the award is based on feedback from our employees, is especially gratifying," said Marcus Ryu, chief executive officer, Guidewire Software. "This recognition validates our continued commitment to provide a quality work environment that rewards, challenges, and shares a common vision to solve complex business problems. Guidewire has an outstanding team of professionals in the Bay Area and around the world that I am proud to work with. We thank the San Francisco Business Times and the Silicon Valley/San Jose Journal for sponsoring the survey once again and for giving us the opportunity to showcase our organization."

Employees participated in an independent, third-party survey that ranks companies based on their employees' rating of work environment, corporate culture, benefits, and compensation. In all, 125 Bay Area companies received Best Places to Work awards.
