About Guidewire Software

Guidewire delivers the software that Property and Casualty (P&C) insurers need to adapt and succeed in a time of rapid industry change. We combine three elements – core processing, data and analytics, and digital engagement – into a technology platform that enhances insurers' ability to engage and empower their customers and employees. More than 300 P&C insurers around the world have selected Guidewire. For more information, please visit www.guidewire.com.
