"The recruitment of such a distinguished director continues Guidewire's evolution to succeed in our long-term mission," said Marcus Ryu, co-founder and chairman of the board, Guidewire. "Rajani will enhance the technology and enterprise SaaS software expertise of the board. Guidewire and our customers will benefit from her insight at this transformative time for the company and the P&C industry."

From June 2000 to March 2014, Rajani Ramanathan served in a variety of leadership roles at Salesforce, a cloud software company, including as its Chief Operating Officer and Executive Vice President – Technology and Products. Since June 2014, Ms. Ramanathan has served as a member of the board of directors of ESI Group, a French publicly traded company providing virtual prototyping software solutions and services and chairs their Technology and Marketing committee. She currently serves as an advisor/investor and director to several private technology companies in the AI, VR, Blockchain, IMU/sensor, BIM and connected (IoT) technology spaces.
