

## **Frankenmuth Insurance Deploys Guidewire to Enhance Agent Experience for Business Owners and Workers' Compensation Lines of Business**

September 21, 2021

FRANKENMUTH, Mich. and SAN MATEO, Calif.--(BUSINESS WIRE)--Sep. 21, 2021-- Frankenmuth Insurance and Guidewire Software, Inc. (NYSE: GWRE) today announced that Frankenmuth has successfully deployed Guidewire Digital to offer a seamless, omnichannel digital experience to its agents for its Business Owners and Workers' Compensation lines of business in all of the states where the company operates.

"We selected Guidewire Digital to improve the relationship with our agency partners," said Philip McCain, senior vice president, Frankenmuth Insurance. "The combination of Guidewire Digital with PolicyCenter enables more robust functionality, such as 'Day Two' transactions and being able to make change requests or endorsements. Our Guidewire implementation has helped to increase our agents' confidence in our ability to deliver easy-to-use solutions."

Eric Wachowicz, director, Information and Portal Services, Frankenmuth Insurance, said, "User feedback has been positive, highlighting the product's efficiency, ease-of-use, and intuitiveness. Our agents have commented about increased productivity and time savings, as the workflow enables quotes to be completed much more quickly."

"We congratulate Frankenmuth Insurance on its successful Guidewire digital deployment," said Mike Polelle, chief delivery officer, Guidewire Software. "We look forward to seeing them transform the way they do business with their independent agents and continue their mission of being the insurer of choice in protecting the individuals, families, and businesses that they serve."
