

## Guidewire Named to 2021 IDC FinTech Rankings

September 23, 2021

*Annual ranking highlights top 100 global providers of financial technology*

SAN MATEO, Calif.--(BUSINESS WIRE)--Sep. 23, 2021-- Guidewire Software, Inc. (NYSE: GWRE) announced it has ranked number 30 out of 100 on the 2021 IDC FinTech Rankings. This is the first year Guidewire has appeared on the prestigious list and the company is the sole P&C insurance industry core systems provider included in the rankings. "We are honored to be recognized by the IDC FinTech Rankings as a top global technology provider," said Jeff Cooper, chief financial officer, Guidewire Software. "At Guidewire, we are completely committed to our customers' success. This recognition is a testament to our entire team's dedication to helping P&C insurers address their customers' evolving expectations and achieve their business and IT goals, while underscoring the strength of our platform and ecosystem."

IDC FinTech Ranking's Fortune 500-style ranking categorizes and evaluates the top global providers of financial technology based on calendar year revenues from financial institutions for hardware, software and/or services. These providers supply the technological backbone of the financial services industry, an industry in which IDC Financial Insights forecasts worldwide spending on IT across the globe to be \$590 billion (USD) by 2025.

"Being named in the IDC FinTech Rankings is a significant accomplishment, demonstrating a provider's commitment to the success of its financial institution clients," states Marc DeCastro, Research Director at IDC Financial Insights. "The IDC FinTech Rankings, now in its 18th year, is the global standard list of fintech providers to the industry, and we congratulate the 2021 winners."

To thrive in a digital economy, financial services organizations must embrace innovative and integrate cutting edge technology effectively to enhance the customer experience and achieve operational excellence. Guidewire and the vendors featured on the IDC FinTech Rankings, represent those providers committed to helping financial institutions successfully execute their digital transformation initiatives for the betterment of their customers around the world.
