

## FCCI Insurance Group Subscribes to Guidewire Cloud to Increase Agility for Business Growth

October 22, 2021

SARASOTA, Fla. & SAN MATEO, Calif.--(BUSINESS WIRE)--Oct. 22, 2021-- FCCI Insurance Group (FCCI) and Guidewire Software, Inc. (NYSE: GWRE) today announced that FCCI has subscribed to ClaimCenter and BillingCenter on Guidewire Cloud to power its core operations, simplify its IT operations, and adapt more quickly to changing market demands. The company plans to implement the products on Guidewire Cloud to all lines of business at the same time. Guidewire PartnerConnect *Consulting* member Cognizant has been selected to lead the implementation project.

"Subscribing to ClaimCenter and BillingCenter on Guidewire Cloud enables us to stay current on Guidewire's latest technology and innovations," said FCCI Interim Chief Information Officer of Commercial Insurance Dave Patel. "As part of the transition from self-managed to Guidewire Cloud, we selected BillingCenter so that we wouldn't have to manage two core systems from different vendors. We had customized our previous billing system quite a bit, so this will help streamline support through Guidewire."

"We are pleased to welcome FCCI to the Guidewire Cloud," said Guidewire Chief Sales Officer Frank O'Dowd. "The organization's vote of confidence in our cloud services capabilities is reflected in its mission statement, which empowers employees to deliver commercial insurance products and exceptional customer service to meet the needs of its valued agency partners and policyholders. They keep promises so businesses can thrive, manage risks, and face the future with confidence."

FCCI also selected SmartCOMM™ from [Smart Communications](#) for customer communications management. Guidewire is a reseller of Smart Communications, a Guidewire PartnerConnect Solution member.
