AUCKLAND, New Zealand & SAN MATEO, Calif.--(BUSINESS WIRE)--Nov. 10, 2021-- Aioi Nissay Dowa Management New Zealand (NZ) and Guidewire (NYSE: GWRE) today announced that Aioi Nissay Dowa Management NZ has subscribed to InsuranceSuite on Guidewire Cloud to power its core operations, simplify IT, respond to changing marketplace demands, and deliver more value to agents, brokers and policyholders. The company plans to simultaneously implement InsuranceSuite in Guidewire Cloud across all lines of business. Guidewire PartnerConnect Consulting Partner Tenzing, part of the Tech Mahindra group, is leading the implementation project.

"We selected Guidewire for its market leadership, product maturity, and track record of successful implementation projects. Implementing InsuranceSuite will provide us with a flexible, secure system optimized with automated processes critical in supporting good business practices and customer outcomes, which are becoming increasingly important with the regulatory bodies overseeing our industry. We will also be able to take advantage of Advanced Product Designer to quickly design and deploy new products and integrate with the best-in-class insurtech solutions in Guidewire's PartnerConnect ecosystem."
