

SGI CANADA Subscribes to Guidewire Cloud to Enable Digital Transformation

January 12, 2022

REGINA, Saskatchewan & SAN MATEO, Calif.--(BUSINESS WIRE)--Jan. 12, 2022-- Guidewire (NYSE: GWRE) announced that SGI CANADA has subscribed to Guidewire InsuranceSuite and Guidewire Live Predict on Guidewire Cloud to power its core operations.

SGI CANADA will use the cloud-based InsuranceSuite application to house their corporation's insurance products. As a cloud-based solution, Guidewire provides increased flexibility and configurability to adapt to changing market needs and customer expectations. In addition, Guidewire Live Predict will provide SGI CANADA actuaries build insights into the company's business, providing SGI CANADA with a competitive advantage in the market.

"By moving to Guidewire, we're taking a giant step toward a technology solution that will enable SGI to become a true digital insurer," said SGI CANADA Vice President of Digital and Corporate Projects Darlene Schultz. "In the competitive market, we sell our products exclusively through our network of broker partners. Our partnership with Guidewire will allow us to best support our brokers in meeting customer expectations and responding to their changing needs."

Schultz continued, "A cloud-first approach has always been paramount for our digital strategy. What sets SGI CANADA apart from our competitors is our commitment to our broker partners and our strong customer focus. The customer truly is at the center of our business. We see great opportunities to improve and enhance the customer experience."

"We are pleased to welcome SGI CANADA to the Guidewire customer community and Guidewire Cloud," said Guidewire Group Vice President of Americas Sales Ken Shapiro. "We are humbled by the company's confidence in our cloud services capabilities to help it adapt to the demands of a rapidly changing marketplace in order to pursue their vision of transforming the insurance experience to promote peace of mind and safer communities."

Guidewire PartnerConnect Consulting member Deloitte is leading the implementation project, leveraging its InsurCloud platform accelerator to implement InsuranceSuite and Live Predict in Guidewire Cloud. Deloitte Canada Industry Solutions partner David Kerr said, "We are honored that SGI CANADA is putting its trust in Deloitte and Guidewire as the foundation for the next phase of their business transformation."

InsurCloud is pre-configured for the Canadian insurance industry and is built to improve speed to market in personal lines, farm, and small commercial product lines, while reducing costs and risk.
