March 29, 2022

SAN MATEO, Calif.--(BUSINESS WIRE)--Mar. 29, 2022-- Guidewire (NYSE: GWRE) announced that specializations have been awarded to two Guidewire PartnerConnect *Consulting* partners for the Americas (AMER) and Europe (EMEA).

The PartnerConnect *Consulting* partners achieving specializations in the second quarter of Guidewire's fiscal year 2022 are:

- **Business Agility, an Endava company:** InsuranceSuite – EMEA
- **Tata Consultancy Services (TCS):** InsuranceSuite Integration – AMER

"Congratulations to our PartnerConnect *Consulting* partners who have achieved Guidewire specializations in the second quarter of fiscal year 2022," said Lisa Walsh, group vice president, Global Consulting Alliances, Guidewire Software. "We are thrilled to recognize these partners for their expertise in Guidewire products and assisting our shared customers in accelerating innovation and transformation."

Specializations are both regionally and globally based and require partners to demonstrate skills, knowledge, and competency in a specific Guidewire product or solution, as validated by Guidewire certification achievements. The attainment of specializations enables insurers to have more clarity and insight into which partners have proven capabilities in a specific region or product. In addition, partners with specializations can better promote their capabilities across Guidewire products and solutions. Guidewire PartnerConnect Consulting partners have now achieved 134 specializations.

Guidewire Education offers multiple certification options for business analysts, quality analysts, and developers including Certified Associate and Certified Ace designations for cloud projects. These cloud certifications, which are required for partners to achieve the Guidewire Cloud specialization, help customers identify cloud-ready talent.
