

## Guidewire Wins Three Celent XCelent Awards, Named a Luminary for Claims Management

May 9, 2022

*Celent report recognizes ClaimCenter with top honors for Advanced Technology, Breadth of Functionality, Customer Base and Support*

SAN MATEO, Calif.--(BUSINESS WIRE)--May 9, 2022-- Guidewire (NYSE: GWRE) announced that ClaimCenter has been named a winner of all three XCelent awards in Celent's *Claims Systems Vendors: North American Property Casualty Insurance, 2022 Edition* report. ClaimCenter was recognized as a top solution amongst the 23 core claims solutions evaluated, in the Advanced Technology, Customer Base and Support, and Breadth of Functionality categories. It was also named a "Luminary" in Celent's new Technical Capability Matrix, acknowledging its excellence in both Advanced Technology and Breadth of Functionality. Read the report excerpt [here](#).

"Guidewire ClaimCenter is one of the most complete and well-designed core claim systems available for midsize and large insurers," said Donald Light, Director, North America Property & Casualty Insurance, Celent and co-author of the report. "Its transition to cloud deployment has facilitated upgrades and increased the range of support and capabilities as part of Guidewire's broader cloud strategy."

InsuranceNow was also included in the report, earning Functionality Standout honors in the Technical Capability Matrix. It was also recognized for its automation features and well-designed UI. Light continued, "Guidewire InsuranceNow offers U.S. regional and super-regional insurers a full suite solution with very good claims features, functions, and usability."

"We are honored that Celent, a well-respected analyst firm, continues to recognize the strength of our products and our customer successes. P&C claims management is improving fast. Work that really should be automated is being automated. Work that requires the expertise and empathy of claims professionals is increasingly supported by core systems that include the data and analytics experts need. Claimants and agents and vendors can access information themselves instantly," said Brian Desmond, Chief Marketing Officer, Guidewire.

"The Guidewire community is leading the way. We are deeply appreciative of the hundreds of insurers and thousands of professionals that use ClaimCenter around the world every day. Their input ensures we continually set the bar for innovation with every new release," continued Desmond.

### About Guidewire Software

Guidewire is the platform P&C insurers trust to engage, innovate, and grow efficiently. We combine digital, core, analytics, and AI to deliver our platform as a cloud service. More than 450 insurers, from new ventures to the largest and most complex in the world, run on Guidewire.

As a partner to our customers, we continually evolve to enable their success. We are proud of our unparalleled implementation track record, with 1,000+ successful projects, supported by the largest R&D team and partner ecosystem in the industry. Our marketplace provides hundreds of applications that accelerate integration, localization, and innovation.
