

Guidewire Announces Latest Group of PartnerConnect Consulting Program Specializations

June 16, 2022

SAN MATEO, Calif.--(BUSINESS WIRE)--Jun. 16, 2022-- Guidewire (NYSE: GWRE) announced that eight specializations have been awarded to five Guidewire PartnerConnect *Consulting* partners.

The PartnerConnect *Consulting* partners achieving specializations in the third quarter of Guidewire's fiscal year 2022 are:

- **Deloitte:** Testing Standards
- **EY:** Self-Managed Upgrades
- **Hexaware:** Self-Managed Upgrades
- **TCS:** BillingCenter and Cloud Ready – AMER
- **ValueMomentum** – ClaimCenter; Cloud Ready; and InsuranceSuite Integration – AMER

"We congratulate the PartnerConnect *Consulting* partners who have achieved Guidewire specializations in our recently concluded fiscal third quarter," said Lisa Walsh, group vice president, Global Consulting Alliances, Guidewire Software. "We take great pride in recognizing these partners who have achieved specializations for their world-class expertise in helping our shared customers transform their businesses."

Specializations are both regionally and globally based and require partners to demonstrate skills, knowledge, and competency in a specific Guidewire product or solution, as validated by Guidewire certification achievements. The attainment of specializations enables insurers to have more clarity and insight into which partners have proven capabilities in a specific region or product. In addition, partners with specializations can better promote their capabilities across Guidewire products and solutions. Guidewire PartnerConnect Consulting partners have now achieved 142 specializations.

Guidewire Education offers multiple certification options for business analysts, quality analysts, and developers including Certified Associate and Certified Ace designations for cloud projects. These cloud certifications, which are required for partners to achieve Guidewire Cloud specializations, help customers identify cloud-ready talent.

Please find more information about specializations on the Guidewire website [here](#).
