Annual ranking highlights top 100 global providers of financial technology

SAN MATEO, Calif.--(BUSINESS WIRE)--Oct. 14, 2022-- Guidewire (NYSE: GWRE) announced it has ranked number 26 out of 100 on the 2022 IDC FinTech Rankings, making an appearance on the list for the second consecutive year and climbing from its previous position. Guidewire is the highest-ranking P&C insurance industry core systems provider on the prestigious list.

"We are honored to be recognized once again by the IDC FinTech Rankings as a top global technology provider," said Jeff Cooper, chief financial officer, Guidewire. "At Guidewire, our customers and their continued success are our top priority. As the insurance industry continues to evolve, we are proud to serve as a partner to our customers. Our technology powers P&C innovation enabling insurers to engage personally, innovate freely, and grow efficiently."

The 19th annual vendor ranking represents the leading hardware, software, and service providers to the financial services industry from around the world. Vendors are ranked based on 2021 calendar year revenues attributed to financial institutions. To view the list in its entirety, please visit [IDC's website](#).

"Inclusion in the IDC FinTech Rankings is a significant accomplishment, demonstrating a provider's commitment to the success of its clients," states Marc DeCastro, Research Director at IDC Financial Insights. "The IDC FinTech Rankings, now in its 19th year, is the global standard list of fintech providers to the industry, and we congratulate the 2022 winners."
