SAN MATEO, Calif.--(BUSINESS WIRE)--Jan. 25, 2023-- Guidewire (NYSE: GWRE) announced that 11 specializations have been awarded to six Guidewire PartnerConnect *Consulting* partners. The Guidewire PartnerConnect Consulting program also announced its newly launched Rapid Implementation specialization. This new specialization is a global badge, which recognizes partners for achieving a cloud specialization, completing a cloud implementation within six months from inception to go-live, and successfully engaging with the Guidewire Delivery Services Team.

The PartnerConnect *Consulting* partners achieving specializations in the first quarter of Guidewire's fiscal year 2023 are:

- **Capgemini:** Cloud – AMER; DataHub – AMER; DataHub+ – AMER; InsuranceSuite Integration – EMEA; InsuranceSuite Integration – APAC
- **EY:** Rapid Implementation
- **Hexaware:** Rapid Implementation
- **LTIMindtree:** Testing Standards
- **PwC:** Rapid Implementation
- **Zensar:** Cloud Ready – AMER; PolicyCenter – EMEA

"We congratulate our six PartnerConnect *Consulting* partners who have achieved Guidewire specializations in our recently concluded fiscal first quarter," said Lisa Walsh, group vice president, Global Consulting Alliances, Guidewire. "We are excited to recognize the success of our cloud implementations by adding the Rapid Implementation specialization to the roster and congratulate our inaugural partners to achieve this accomplishment. We believe that the quality and service that our partners provide our mutual customers through their cloud transformation journeys is truly unmatched."

Specializations are both regionally and globally based and require partners to demonstrate skills, knowledge, and competency in a specific Guidewire product or solution, as validated by Guidewire certification achievements and references. The attainment of specializations enables insurers to have more clarity and insight into which partners have proven capabilities in a specific region or product. In addition, partners with specializations can better promote their capabilities across Guidewire products and solutions. Guidewire PartnerConnect Consulting partners have now achieved a total of 161 specializations.

Guidewire Education offers multiple certification options for business analysts, quality analysts, and developers including Certified Associate and Certified Ace designations for cloud projects. These cloud certifications, which are required for partners to achieve Guidewire Cloud specializations, help customers identify cloud-ready talent.
