TEMPLE, Texas & SAN MATEO, Calif.--(BUSINESS WIRE)--Feb. 7, 2023-- [RVOS Farm Mutual Insurance Company](#) (RVOS), a provider of insurance products for Texans, and [Guidewire](#) (NYSE: GWRE) announced that RVOS has selected InsuranceNow to improve service to its agents and grow its business. "We selected InsuranceNow to modernize our systems to deliver better efficiencies to users. We were attracted to its lack of complexities. The screens are straightforward and very easy to work with," said Wesley Jackson, vice president, RVOS. "InsuranceNow will also provide a more robust interaction with our agents and allow them to have access to more data from the system, making it easier for them to do business with us."

Greg Burnett, manager, Information Technology, RVOS, added, "Out of all the systems we evaluated, InsuranceNow is the best all-in-one cloud-based system in the market for our sized company. We'll be able to implement InsuranceNow with minimal configurations and no customizations. ### About RVOS Farm Mutual Insurance Company

Organized in 1901, RVOS Farm Mutual Insurance Company (RVOS) is a farm mutual company with over \$15 billion of insurance in force that operates under Chapter 911 of the Texas Insurance Code.

RVOS provides insurance products to homeowners, farmers, and ranchers in Texas. Being a farm mutual gives RVOS a unique ability to adapt quickly to new circumstances, allowing the company to offer a variety of insurance products that can meet various needs and budgets.

RVOS is owned by the policyholders. This allows RVOS to focus on providing the best products and services to meet the ever-changing needs of the policyholders rather than turning a profit for an out-of-state parent corporation. Profits, on the other hand, are held in surplus to pay future claims and offset future premium increases.

RVOS Farm Mutual Insurance is assigned an A, Exceptional Financial Stability Rating® (FSR) by Demotech, Inc.
