

## Guidewire Debuts in 23rd Position on the Forbes America's Best Midsize Employers 2023 List

March 15, 2023

*Annual ranking highlights top 500 midsize employers in America*

SAN MATEO, Calif.--(BUSINESS WIRE)--Mar. 15, 2023-- Guidewire (NYSE: GWRE) announced it has ranked number 23 out of 500 companies on the Forbes list of [America's Best Mid-Size Employers 2023](#). It also appeared first in the IT, Internet, Software & Services category. This prestigious recognition is presented by Forbes and Statista Inc., the world-leading statistics portal and industry ranking provider.

"We are honored to be included on this year's Forbes America's Best Midsize Employers List," said Sinéad Condon, Chief People Officer, Guidewire. "Since our founding, Guidewire has focused on fostering a strong culture based on three values – Integrity, Rationality, and Collegiality. Without our dedicated employees living these values and serving our customers with them, Guidewire would not be what it is today."

Forbes and Statista selected the America's Best Employers 2023 through an independent survey applied to a vast sample of approximately 45,000 American employees working for companies with more than 1,000 employees in America. Across 25 industry sectors, 1000 employers have been awarded, 500 large employers and 500 midsize employers. The evaluation was based on direct and indirect recommendations from employees that were asked to rate their willingness to recommend their own employers to friends and family. Employee evaluations also included other employers in their respective industries that stood out either positively or negatively.
