

## Deliver Modern Payment Experiences with Guidewire and One Inc's New Guidewire Marketplace Apps

June 14, 2023

SAN MATEO, Calif. & FOLSOM, Calif.--(BUSINESS WIRE)--Jun. 14, 2023-- Guidewire (NYSE: GWRE) and One Inc, [Guidewire's strategic payments partner](#), announced that the new Built by Guidewire One Inc integrations are now available to [ClaimCenter](#), [PolicyCenter](#), and [BillingCenter](#) Cloud users in the [Guidewire Marketplace](#). Built by Guidewire apps are standardized integration solutions, pre-built and managed by Guidewire that speed the delivery and maintenance of common integrations.

Purpose-built for the insurance industry, One Inc offers digital payment solutions that enhance the customer experience and provide a unified and frictionless payment experience for all. ClaimsPay, its claims payment solution, enables payees to choose their preferred payment delivery method, improving payment experience. PremiumPay, its premium payment solution, allows insurers to proactively engage with policyholders throughout the payment experience, and offer various payment options so insureds can pay according to preference.

With Guidewire and One Inc's Built by Guidewire PremiumPay and ClaimsPay integrations, insurers can:

- Quickly accept and disburse payments through a wide variety of methods and channels;
- Reduce payment processing expenses by leveraging digital payment methods;
- Access real-time financial reporting, enabling smarter decisions with accurate data; and
- Ensure PCI compliance and security to keep policyholders' sensitive data secure.

Built by Guidewire leverages Cloud Integration Framework. The apps can be delivered, updated, and maintained by Guidewire if desired.

"Modern payment options are a critical expectation that today's insureds have for their insurers," said Ian Drysdale, CEO, One Inc. "Our technology enables insurers to deliver quick, secure digital payment experiences for insureds, agents, vendors, and adjusters. These integrations provide security, flexibility, and a frictionless payment experience for all."

"Congratulations to One Inc on the release of three new Guidewire Cloud apps," said Will Murphy, Vice President, Technology Alliances Strategy, Guidewire. "We are pleased to offer our shared customers the fruits of our strategic partnership with One Inc, enabling their streamlined access to its leading-edge technology."

"With the One Inc partnership where Guidewire will be responsible for building and maintaining, that helps us tremendously," said Sai Giridharan, Head of Digital Transformation & Analytics, Heritage Insurance. "Customers see the biggest benefit. You see the immediate satisfaction come through when we are able to create those digital payments for claims."

### About Guidewire PartnerConnect ecosystem and Built by Guidewire

Guidewire PartnerConnect is designed to help Property and Casualty (P&C) insurance companies revolutionize their operations by connecting them with the largest peer network in the industry. Built by Guidewire apps are standardized integration solutions, pre-built and managed by Guidewire that speed the delivery and maintenance of common integrations. These integrations are kept current with the latest product and vendor releases and leverage Guidewire's Integration Framework and latest third-party technologies, fully aligned with Guidewire Cloud Standards. Where available, under an optional services agreement, Guidewire can provision, configure, parameterize, maintain, and perform annual upgrades of the integrations for customers.

Today, insurers can access over 200 integrations developed for the Guidewire Marketplace that have been validated for security, quality, and compatibility. The Guidewire Marketplace comprises an ecosystem of powerful yet user-friendly solutions that scale for improved customer experiences.
