

Automate Auto Glass Claims with Belron Canada's New Guidewire Marketplace App

September 12, 2023

SAN MATEO, Calif. & MONTREAL--(BUSINESS WIRE)--Sep. 12, 2023-- Guidewire (NYSE: GWRE) and Belron Canada announced that Belron Canada's new *Ready for Guidewire* validated [accelerator](#) is now available to Claim Center users in the [Guidewire Marketplace](#).

With more than 325 service centers, two distribution centers, 27 warehouses, and over 1,200 employees across 10 provinces, Belron Canada is a leader in auto glass repair, replacement, and recalibration in Canada. Belron Canada's self-service solution enables Canadian insurers to digitize and manage their Speedy Glass, Apple Auto Glass, and Lebeau Vitres d'autos glass claims end-to-end free of charge.

Using Belron Canada's Accelerator for Auto Glass Claim Processing, insurers can:

- Save time and effort with automatic coverage validation, claim creation, payment, and closing;
- Increase efficiency through a streamlined claims process that limits the need for human intervention; and
- Reduce auto glass claims costs overall.

Belron Canada's solution also applies the insurer's business rules electronically, further optimizing the claims process.

"At Belron Canada, creating a solid partnership with our insurance partners has always been our key priority," said Sylvie Leduc, Vice-President, Brand and Customer Promise, Belron Canada. "Thinking outside the box and investing in solutions that similarly strive to improve efficiency and raise consumer satisfaction is part of our DNA. This is why we are proud to be offering a solution that will bring savings to our joint customers, efficiency for our network, and a best-in-class customer experience."

"We congratulate Belron Canada on the release of its new ClaimCenter app," said Will Murphy, Vice President, Global Solution Alliances, Guidewire. "Belron Canada's solution allows our shared customers to digitize and automate their glass claim coverage validation and invoicing processes at no charge, saving them time, manual labor, and claims costs."
