*Tokio Marine Group insurtech company to leverage Guidewire Cloud to increase business agility and deliver value to policyholders*

TOKYO & SAN MATEO, Calif.--(BUSINESS WIRE)--Nov. 10, 2023-- [Guidewire](#) (NYSE: GWRE) announced that Tokio Marine Group's insurtech company, E.design, has selected [Guidewire Cloud](#) to power its core business, simplify IT operations, adapt quickly to changing market conditions, and deliver more value to its agents and policyholders. The company has been a self-managed [Guidewire InsuranceSuite](#) customer, finalizing its deployment in 2021, and is also using Guidewire EnterpriseEngage digital applications and [Guidewire for Salesforce](#). E.Design is the first Japan-based company to commit to migrate their existing self-managed InsuranceSuite installation to Guidewire Cloud. The company is planning to implement the products on Guidewire Cloud for its “&e” auto insurance product brand.

Shigeo Kuwabara, CEO of E.design Insurance which is also playing a role as an insurtech company, emphasized, “We will draw on the full capabilities of Guidewire Cloud as we strive to achieve agility while creating value by combining it with cutting-edge technologies such as AI and IoT in order to provide our customers with new and valuable experiences.”

“E.design Insurance is one of the leading innovators in Property and Casualty (P&C) insurance in Japan,” said Guidewire Chief Customer Officer Christina Colby. “We thank E.design for placing its trust in our cloud services and look forward to helping to grow the business and drive further success in the Japanese non-life insurance market.”
