

Ascot U.S. Selects Guidewire to Modernize Claims IT Operations

March 12, 2024

NEW YORK & SAN MATEO, Calif.--(BUSINESS WIRE)--Mar. 12, 2024-- [Ascot U.S.](#) and [Guidewire](#) (NYSE: GWRE) announced that Ascot U.S. selected [Guidewire ClaimCenter](#) on [Guidewire Cloud](#) to power its claims business, simplify IT operations, adapt quickly to changing market demands, and enhance the value delivered to its brokers and policyholders. The company also selected [Guidewire Canvas](#) to optimize catastrophe management.

Ascot U.S. Chief Claims Officer Marina Barg said, "Ascot U.S. is delighted to partner with Guidewire to assist our claims teams in providing continued exceptional service to our customers and in meeting the needs of our client-, risk-, and tech-centric brand and business strategy. This partnership ensures that we will continue to use the best technology available to make the claims handling process more efficient from workflow and data perspectives, and to leverage Guidewire's expertise in keeping up with the latest in claims handling capabilities."

"We selected ClaimCenter on Guidewire Cloud because Guidewire has the modern, resilient, scalable, and secure platform and market leadership, product maturity, and track record of successful implementation projects that we were looking for," said Ascot Group Chief Information Officer Owen Williams. "By leveraging Guidewire Cloud, we will be able to transfer system maintenance to Guidewire and stay current on their latest technology and innovations."

Guidewire Chief Sales Officer David Laker said, "We are pleased that Ascot U.S. has entrusted Guidewire to transform its claims operations and advance its mission of offering clients the utmost financial security while delivering bespoke products and world-class service — pre- and post-claims."

Ascot U.S. also selected SmartCOMM™ from [Smart Communications](#) for customer communications management. Guidewire is a reseller of Smart Communications, a Guidewire PartnerConnect Solution member.
