uniquely positioned to further embed data, analytics, and AI throughout insurers' core operations to drive smarter risk and claims decisions. Mark's deep industry experience and sharp focus on data and analytics will provide Guidewire valuable insight and perspective as we deliver on this mission," said Michael Keller, chairman of the board, Guidewire.

Mark Anquillare served as president and chief operating officer of Verisk Analytics (Nasdaq: VRSK), an insurance industry data analytics and technology provider, through January 2023. Prior to that, he was Verisk's chief financial officer starting in 2007, leading the company through its 2009 IPO and continuing until 2016. During his tenure, he played a pivotal role in Verisk's growth and innovation, helping insurers improve underwriting and claims processes, combat fraud, enhance operational efficiency, and make informed decisions on emerging risks. Since 2023, he has served on the board of directors of TruBridge, Inc. (NASDAQ: TBRG), a healthcare solutions company.
