Brigitte McInnis-Day, Chief People Officer, Guidewire

at UiPath, where she led the company's global people strategy during a period of enterprise growth, embedding AI and automation into core HR processes. Prior to UiPath, she held senior leadership roles at Google Cloud, SAP, VerticalNet and Mercer.

"Brigitte is an accomplished leader with deep expertise in driving innovation and scaling enterprise technology organizations, and we are thrilled to welcome her to Guidewire's leadership team," said Guidewire CEO Mike Rosenbaum. "As we build on our momentum, and accelerate innovation in our core platform, analytics, and AI to power a new era of intelligent insurance for the P&C industry, her proven ability to elevate people and teams to achieve transformative outcomes will be invaluable."

"Guidewire is creating an intelligent future for P&C insurance, and joining the company as Chief People Officer is an exciting opportunity to leverage the passion of Guidewire's employees to bring industry-specific innovations and experiences to our customers," said McInnis-Day. "I look forward to helping our people and customers grow, thrive, and push the boundaries of what's possible in insurance technology."

### About Guidewire

Guidewire is the platform P&C insurers trust to engage, innovate, and grow efficiently. More than 570 insurers in 43 countries, from new ventures to the largest and most complex in the world, rely on Guidewire products. With core systems leveraging data and analytics, digital, and artificial intelligence, Guidewire defines cloud platform excellence for P&C insurers.

We are proud of our unparalleled implementation record, with 1,700+ successful projects supported by the industry's largest R&D team and partner ecosystem. Our marketplace represents the largest partner community in P&C, where customers can access hundreds of applications to accelerate integration, localization, and innovation.
