Explanation of Responses:

- When both ISO and NQ Stock Options granted on September 4, 2014 are combined, they vest over four years of continuous service as follows: 1/48 of the underlying shares vest monthly following the vesting commencement date of September 4, 2014, subject to the Reporting Person's continuous service.
- 1/4th of the total grant of these Restricted Stock Units will vest on September 15, 2014, as the performance-based condition was exceeded and the time-based criteria was met on that date. The performance-based condition was contingent on meeting certain financial targets for the Issuer's fiscal year 2014, which the Issuer's Board of Directors has deemed to be satisfied in excess of the target. With the performance-based condition exceeded, the remaining units will vest on the following time-based criteria: 1/16th of the units vest quarterly starting on December 15, 2014, subject to the Reporting Person's continued service to the Issuer through each such vesting date, until all the units have vested.
- The Restricted Stock Units vest as follows: 1/16th of the units vest quarterly following the vesting commencement date of September 15, 2014, subject to the Reporting Person's continued service to the Issuer through each such vesting date.
- The vesting of these Restricted Stock Units is subject to the satisfaction of both performance-based conditions and time-based criteria. The performance-based conditions will be satisfied if certain financial targets, determined by the Issuer, are met over the course of the Issuer's 2015 fiscal year. If the performance-based conditions for fiscal year 2015 are not met, then none of the shares will vest. If the performance-based conditions for fiscal year 2015 are achieved, as determined by the Issuer, then units will vest as the time-based criteria are satisfied. The time-based vesting criteria are as follows: 1/4th of the units vest on the one year anniversary of the vesting commencement date of September 15, 2014 and an additional 1/16th of the units will vest quarterly thereafter, subject to (1) the previously mentioned fiscal year 2015 performance-based conditions being met, and (2) the Reporting Person's continued service to the Issuer through each such vesting date.
