- The sale price reported in column 4 of Table 1 represents the average sale price of the shares sold ranging from \$31.91 to \$32.83 per share. The reporting person will provide, upon request by the Commission staff, the issuer, or a security holder of the issuer, full information regarding the number of shares sold at each separate price.
- The stock option becomes vested and exercisable with respect to 1/48th of the shares each month after the vesting commencement date of September 5, 2012, subject to the Reporting Person's continuous service.
- The vesting of these Restricted Stock Units is subject to the satisfaction of time-based vesting and a performance-based condition. The time-based vesting occurs quarterly over four years from September 15, 2012, subject to the Reporting Person's continued service to the Issuer through each such vesting date. The performance-based condition will be satisfied if certain targets determined by the Issuer are met. If the performance-based vesting is achieved, then any Restricted Stock Units that had previously satisfied the time-based vesting shall become fully vested and any Restricted Stock Units that had not previously satisfied the time-based vesting shall become fully vested as such time-based vesting is satisfied.
